Voice America Interview with LuAn Mitchell on April 16, 2008.

One dictionary defines an Opus as "The most grandiose and memorable composition of a composer's life and legacy."

It is this definition that we wish to acknowledge. It is this definition that is the objective of the awesome new film titled "The Opus." Our host LuAn will interview stars from the Opus Movie all month, because April is "Opus Month," on Voice America's Millionaire Mentor!

Every person born on the planet arrives with the potential to create an incredible Opus. But only some people do. Why is that?

In this spectacular follow up to the Law of Attraction you will find amazing insights from top achievers and teachers on how to turn your intentions into accomplishments.

In The Opus you will be shown the formula and patterns top achievers use to create greater abundance in wealth, health, relationships and self achievement. Don't miss a second!
